

canstruction®

4th Annual AIA Vermont Design/Build Competition

It starts with one can. To feed the hungry. To lift the spirit. To change the world. Canstruction®, a charity committed to ending hunger, is using 'one can' as a catalyst for change. Canstruction's 4th Annual Vermont Design/Build Competition puts a visual spotlight on hunger while showcasing the Vermont design community's best and brightest.

Think you have what it takes to design and build a structure made of nothing more than canned food, ingenuity, and luck? Enter today. Get creative, help stop hunger. **one can.**

call for entries
